Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at hs liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of bis heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-."Perhaps it would," Amos admitted..common people like ourselves? If that's so, then we aren't acting in our own best interests at all; we're.The graveyard, where they had buried their fifteen dead crewmates on the first day of the disaster, had sprouted with life during the week after the departure of the Burroughs. It was separated from the original site of the dome by three hundred meters of blowing sand. So McKillian assumed this second bloom was caused by the water in the bodies of the dead. What they couldn't figure out was why this patch should differ so radically from the first one.."Oh, yes," said Amos. "I know the sound. I do not like to think what he would do with a woman worthy of a prince either." Yet Amos found himself thinking of it anyway. "What's the use of all this talk?" Thus, the facts alone make it clear that the King has no such intent His real purpose in building the Project is to provide a haven. A haven to which the people can flee should a second phenomenal ram-fall again cause the Twin Rivers to overflow their banks to such an extent that the entire Plain becomes inundated. Living on that Plain, the members of Local 209 stand to benefit from the Project as much as the rest of the people. For them to have, in effect, sabotaged such a noble undertaking is, frankly, beyond my comprehension, unless their motive for doing so can be partially attributed to their unwitting acceptance of the popular interpretation of the Project's purpose..When he was at bay, he fought hard. I gave the beast's liver and heart to my dogs. But this I saved for." You've heard of the long-period Martian seasonal theories? Well, part of it is more than a theory. The combination of the Martian polar inclination, the precessional cycle, and the eccentricity of the orbit produces seasons that are about twelve thousand years long. We're in the middle of winter, though we landed in the nominal 'summer/ It's been theorized that if there were any Martian life it would have adapted to these longer cycles. It hibernates in spores during the cold cycle, when the water and carbon dioxide freeze out at the poles, then comes out when enough ice melts to permit biological processes. We seem to have fooled these plants; they thought summer was here when the water vapor content went up around the camp." "I suppose you're right. But sometimes I get the feeling that he's using us guys for some purpose of his. An alarm started in his helmet, flat and strangely soothing coming from the tiny speaker. He stood.
