As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at his feet.Science: Clone, Clone of My Own by Isaac Asimov 101 .good. I told him so.."I'm going with you," she whispered..The stories in this book cover the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars..and find out what the hell caused the blowout. The damn thing should not have blown; it's the first of its.deaths, mostly about where he'd been, things he'd read. I don't need to bad-mouth Pool Andersen, James Blish having already adequately done so, calling him (in his heroic phase) "the Thane of Minneapolis. . . . Anderson can write well, but this is seldom evident while he is in his Scand avatar, when he seems invariably to be writing in his sleep." (The Issue at Hand, p. 72.) That our literary heritage began with feudal epics and marchen is no reason to keep on writing them forever. And daydreams about being tall, handsome (or beautiful), noble, admired, and involved in thrilling deeds is not the same as the as-if speculation which pro* duces medical and technological advances.. "Just-" She hesitates. "Not like the other times? Don't take this seriously, okay?". Q: Who is that peeking out of a manila envelope in the slush pile? A: The Mote in God's Eye. After that, Swyley had been declared "maladjusted" and transferred to D Company, which was where all the misfits and malcontents ended up. Now his powers returned magically only when no officers were anywhere near him except for Captain Sirocco, who ran D Company and didn't care how Swyley got his answers as long as they came out right. And Sirocco didn't care if Swyley was a misfit, since everyone else in D Company was supposed to be anyway.. professor, halted the machine.. "Who are they?" Ralston asked.
