"They don't have anything here?" Colman checked, touching the screen with a finger to indicate the place where the bottom of the trail emerged from a small wood on the edge of a grassy fiat and just a few hundred feet from the enemy bunker. The display showed a faint pattern of smudges on either side of the trail in just the positions where defensive formations would be expected..good size for a single person, with a deck all around and steps down to the beach in back. Amanda.Dramatization is another. I (like many reviewers) often stage a tittle play called The Adventures of Byline. Byline (or "I") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..except hi the cramped sleeping quarters.
