What the woman was saying was of a character to suggest that she had just that minute gone crazy. "The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this." She stooped closer to the ice cream and winced. "But then it's pure hefl. I want to cut my leg off, have a lobotomy, anything to make it stop. Yet I know the problem isn't in my leg at all. It's in my back. Here." She touched the small of her back. It was streaked, like a glass marble with swirls of opaque material hi it. It looked very familiar, he realized, with the hair on the back of his neck starting to stand up.. "Hey, do you mind if I sit down on your couch a minute? I am frazzled. It's a tremendous opportunity, working here, but it does take it out of you."
