Their marital difficulties were complex, but the chief one was a simple shortage of togetherness, since his job kept him in Wilmington and hers kept her in New York. Additionally, her husband's ideal of conversation was very divergent from her own. He enjoyed talking about money, sports, and politics with other men and bottled up all his deeper feelings. The Lunamere's main attraction in winter was that it froze over, making sixteen kilometers of ice for skating. The Heliomere was fed by hot springs and, at thirty-five degrees C, was suitable for year-round swimming..with yourself, Barry? Few people are completely willing to talk about something.
