And I was feeling my resolve begin to crumble. It was hard to believe this beguiling kid could possibly be involved in a string of bloody deaths. Maybe it was just a series of unbelievable coincidences. Yeah, "un-."I have an idea on that," McKillian said. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon.
