that have no connection with the real world are simply fake, and once readers realize that escape does. Amos was so delighted he jumped up and down. The prince swam to shore, and Amos helped him out. Then they leaned the mirror against a tree and rested for a while. "It's well I wore these rags of yours," said Jack, "and not my own clothes, for the weeds would have caught in my cloak and the boots would have pulled me down and I would have never come up. Thank you, Amos." Smith reached for the phone and punched McCranie's number. "No way," she says. "He didn't and he won't. He doesn't like what I do." I can't think of anything to. He certainly had a right to say that, but there was no self-pity, just an observation. Then he looked at. somehow intermingled and become one. Maurice? next door." He inclined his head slightly toward 407. I dropped by number seven. The typewriter had been put away, but the cards and score pad were still on the table. His suitcase was on the floor by the couch. It was riveted cowhide of a vintage I hadn't seen since I was a kid. Though it wore a mellow patina of age, it had been preserved with neat's-foot oil and loving care. I may have been mistaken about his not moving. At the edge of the garden he stopped, remembering the order from Lang to stay out unless collecting samples. He watched the thing-bug? turtle?? for a moment, satisfied himself that it wouldn't get too far away at its creeping pace, and hurried off to find Song. twenty-four-year-olds are self-conscious in just that way. She shrugged, running in place while she talked to me. "Someone has to let you know when things need to be done." He wouldn't need the bottle any more, and he wouldn't need Nina. templates-in-the-head (which are constantly being revised in the light of new experience), it could not. back to the ship. Amos' plan had apparently worked; they had managed to climb back in the ship and get. "Not at all," laughed Jack. "They didn't even notice that the jailor was gone." For what they had done. "Not at all" I said and his eyes cleared. "What kind of stories do you write?". hobbyhorses. What was your wife interested in? Couldn't you have talked about that?". "What do I look like?" demanded the North Wind. "Ah, several things. But maybe it isn't my place to bring them up now. First, I want to say that if you're ... ah, concerned, or doubtful of my support or loyalty because I took over command for a while. . . earlier today, well. . .". She swooped toward her ankles with the knife. The long skirt of her dress bung in the way. Before she could pick up the hem, her left hand stiffened. The ship came down with an impressive show of flame and billowing sand, three kilometers from Tharsis Base. Detweiler whirled, his eyes bulging. A groan rattled in his throat He raised his hands as if fending me off. The groan rose hi pitch, becoming an hysterical keening. The expression on his face was too horrible to watch. He stepped backward and tripped over the suitcase. He looked at the children. One wide-eyed little girl of eight years was kneeling at his feet. As his eyes fell on her, she smiled tentatively and took his hand. The house lights momentarily dim and the crowd noise raises a few decibels. I realize I can't see. "India," Moises said, pronouncing the word with all the contempt of one in whose veins ran a ten per-cent admixture of the proud blood of the conquistadores, "Who are we to know the way of savages?" He shrugged. 22. Therefore, in accordance with Bylaw 9(c), Section XII, of the Revised Federal Communications Act, cut paper, paper covers rock." The background music changed from Vivaldi's Four Seasons to a Sondheim medley, and all the chairs in Barry's area suddenly lifted their occupants up in the air and carried them off, legs dangling, to their next conversational destination. Barry found himself sitting next to a girl in a red velvet evening dress with a hat of paper feathers and polyhedrons. The band of the hat said, "I'm a Partyland Smarty-pants." the frenzy but managed to stay aloof from most of it. She went to the shelter with whoever asked her, "Captain-" to fill out the second form on the spot After a wait of less than ten minutes, his number lighted up on the. He grinned with pleasure. "Thanks. It's for a paperback cover.\*\*. Award finalist. PLANNED FREEDOM IS THE." Will you be finished before breakfast time?" asked Amos, glancing at the sun. At intervals while dressing or looking into the bathroom mirror, he stared as if into an invisible camera and raised one finger. In his last years he wrote some poems. The sun was poking over the mountains when he woke up. He roused and was momentarily unaware of where he was; then memory flooded back. He turned to me. The pain and hysteria were gone from his eyes. They were oddly peaceful. "No threats," says the tech. "Just a suggestion." Something in Barry's manner finally conveyed the nature of his distress. The light dawned: "You have got your license, haven't you?". "I've tried living with you," Amanda said, "but it doesn't work. Now I won't have anything more to do. Thomas M, Duck. gets to the

Except for a dazed expression and a few cuts, Song seemed to be all right. Crawford and McKillian. Billy of all the nice things you people were going to bring! There's going to be no living with him, let me. "Yeah, I was working on a story, but I'd rather play gin." He grinned, open and artless. "If I could make money playing gin, I wouldn't write." A bitter look. Mama shook her head. "He sleeps like an angel," she murmured "But the senora-". As soon as the first salvo of smoke bombs burst at twelve hundred feet to blot out the area from hostile surveillance, the Third Platoon launched itself down the , trail toward the denser vegetation below. Moments later, optical interdiction shells began exploding just below the curtain of smoke and spewed out clouds of aluminum dust to disrupt the enemy control and communications lasers. Ahead of the attacking troops, a concentrated point barrage of shells and high-intensity pulsed beams fired from the fairing platoons rolled forward along the trail to clear the way of mines and other antipersonnel ordnance. Behind the barrage the , Third Platoon leapfrogged by sections to provide mutually supporting ground-fire to complete the work of the artillery. There was no opposition. The defending artillery opened up from the rear within ten seconds of the initial smoke blanket, but the enemy was firing blind and largely ineffectively..baby..(2nd verse). "Why write?"
