It seemed such a waste of time talking to another temp, since he could only get the endorsements he needed from people who held Permanent Licenses. Of course, the practice was probably good for him. You can't expect to like everyone you meet, as the Communications Handbook never tired of pointing out, but you can always try and make a good impression. Someday you'd meet someone it was crucial to hit it off with and your practice would pay off..Ed took out his ID folder, took his license from the folder, tickled the edge of the endorsement sticker from the back of the license with his fingernail, and offered it to Barry..Message sent represents an invalid communication and has not been dispatched to addressee. He saw her step up to the dome wall and wipe a clear circle to look through. She spotted his bright red suit and pointed at him. She was suited except for her helmet, which contained her radio.
